FYI, I spoke to the financial desk here at the EOC and they indicated that our time keeper needs to enter the FAN code into our favorites list and then we should be able to select this site code.

Hello!

Valerie Hughes is out on CWS today, but she will be able to assist with the charging.

Thank you!

Hi Loren,

I believe that we are supposed to use this Gold King Mine code to charge our time spent in the EOC? If that is the case, PeoplePlus is telling me that I don't have the functionality installed to my account in order to add site-specific charges. Do you have any tips for adding site-specific charging (I have not had to do this before), or someone who I can contact for help?

Thanks,  
Melissa

Regional Comptrollers & Other Program Offices

Attached please find the instruction/guidance on how to ensure proper charging and tracking of payroll, contracts, and travel resources associated with the response to the Gold King Mine Release. While this may only currently affect some of you, I felt it would be prudent to share with all of you as some of your regional staff may be traveling to assist.

Please share with others as appropriate.

Thank you.
